Teachers will discuss this with the parents, should a problem arise. Every effort is made to do only what will be of benefit to each individual child. Tap– 7 years by September 1st 2019 OR 3 years of dance at Grace Academy – at Miss Knapp's discretion

Musical Theatre – 7 years by September 1st 2019

All students must be taking one form of dance. Dancers will be divided based on age and dance level

- ALL STUDENTS wishing to take our regular hip hop program (grade 4 modern level and above) MUST also be attending the corresponding modern class

- Intermediate foundation ballet 1st year students must attend 2 classes of ballet per week in order to be considered for pointe work.

-Intermediate foundation ballet 2nd year students and above MUST be attending 2 regular ballet classes per week to work on pointe

-We recommend that students in grade 1 ballet 2nd year and above attend 2 classes per week in order to progress through the level in 1 year (please discuss this with Miss Knapp if you have questions). Students who do not attend twice a week will not necessarily be ready to move ahead to the next grade level. We HIGHLY RECOMMEND ATTENDANCE IN 2 CLASSES A WEEK IN ORDER TO ACHIEVE A GOOD STANDARD

- Musical theatre students must be taking at least one form of dance
- Those interested in The Spirit Moves Christian Dance Company Pure Grace Performing Company should speak to Miss Knapp

JUNIOR HIP HOP - NEW THIS YEAR!

This year we will be offering our younger dancers (ages 6-9) a chance to experience a taste of hip hop! This class will run in 6 week sessions. Dancers may join for one or more during the year. This class will be energetic, fast paced and exciting, and will provide an intro into the world of hip hop dance. **This group will not participate in the year end show, so dancers are encouraged to join one of our other programs as well.**

WORKSHOP OPPORTUNITIES - NEW THIS YEAR!

Dancers will have the opportunity to register for 'mini sessions' in a variety of styles throughout the year. These short, 2- 4 week sessions will offer our dancers an opportunity for growth and development while exposing them to guest teachers and new work. Dancers will see contemporary dance, progressing ballet technique, musical theatre dance, creative choreography, and more offered to them! Watch for details!

INTER/ADV LEAPS AND TURNS!

We are excited to add this class back into our timetable! Dancers who are enrolled in Intermediate or Advanced level modern classes may add this into their schedule. This class will focus on flexibility, elevation and turning, and is an excellent addition to our senior dancer's training. Space will be limited!

THE SPIRIT MOVES CHRISTIAN DANCE COMPANY

The Spirit Moves will be entering its 20th season this coming September!! Using contemporary Christian worship music, dancers learn a large repertoire of choreography throughout the year. Practices are held every other Friday (with some exceptions) and dancers take part in worship services at approximately 4 -5 churches during the year. We also present our own spring concert to fundraise for various local charities, and take part in Grace Academy's year end production. It is a fabulous opportunity for your dancer to learn about giving back to others and to share their talents in a way that brings joy to those around them. If you are interested in learning more, please speak to Miss Knapp.

PURE GRACE -PERFORMING COMPANY

Our performing company, Pure Grace, had another incredibly successful season this year! Dancers grew both technically and artistically and had the opportunity to perform in a variety of venues in and around our community.

Pure Grace is a non-competitive performance company. This is a wonderful way for dancers to enhance their performance skills, while increasing their technique and knowledge of a variety of dance styles!

Pure Grace is offered to the **serious dancer, who is committed to challenging themselves with new work, enhancing their technique, and performing at a high standard.** While this is a non-auditioned group, dancers must attend a minimum of 2 ballet classes and 1 modern class per week in order to participate. The group is open to dancers enrolled in grade 2 ballet and above, and will be sub-divided according to dance grade level.

There will be an opportunity to learn choreography at a fast pace, in a variety of styles. Guest choreographers will join with our regular teaching staff. Dancers will also have the chance to learn short solo or small group pieces. Performance opportunities beyond our year end performance will be offered.

Rehearsals will take place during the week (one hour per week-see attached timetable). All rehearsals will be mandatory. Additional practice time and solo/ small group work will be scheduled on various Fridays, Saturdays and Sundays, throughout the year.

Space will be limited. If your dancer is interested, please speak to Miss Knapp to receive further details!

We hope that many of our dancers will consider this to be an incredible opportunity for growth - we are so proud of what our dancers have accomplished this past year and see an enormous change in them both technically and in performance standard.

We will keep you informed of any opportunities to show your support and see our company in action! In addition, if you are interested in having our dancers perform at an upcoming event, please let us know! We are always looking for performance opportunities!

MUSICAL THEATRE PROGRAM

We are extremely fortunate to have Natalie Spurrell as our vocal instructor for our musical theatre program (Bio can be found on in this letter). Natalie's high level of expertise ensures that your child will receive the best possible vocal instruction, while learning all aspects of musical theatre! You will find that other schools offer lip sync as their musical theatre instruction, or often focus on belting out songs with little technique and damaging young voices. We are proud to offer a real triple threat program that teaches excellent technique and performance!!

This program is open to dancers age 7 and above. Students must be taking one form of dance to attend this class, as we have found that dance training is extremely important in assisting the musical theatre students to learn their performance pieces.

ACTING!

Students with a passion for performing can once again add acting classes into their schedule! This program for ages 9-14 will explore basic acting technique, characterization, vocal skills and creative expression. It is an excellent addition to our musical theatre class! Space will be limited!

ADULT CLASSES!

Have you always wanted to try a dance class? Did you dance as a child and miss the joy that it brings? Are you looking for a fun way to exercise? JOIN ONE OF OUR ADULT CLASSES!!

We offer classes at the following times:

MONDAY 8:45PM TAP (for those with past tap experience)

Sarah brings creativity, energy and a genuine love of children to all of her classes! She is dedicated to excellence, and has been an important member of our staff since we opened!

Ali Daly also joined our staff in 2017. Ali is a Ryerson University graduate with a B.A in Creative Industries. Natalie Spurrell will return to work with the musical theatre class. Natalie holds a Bachelor of Music and a Bachelor of Music Education, majoring in voice. She also recently completed her Masters in Music Education with Boston University. She is the owner and director of Spurrell Singing Studio in Oakville. UNIFORMS

Each style/level of dance has a uniform that is required for class, allowing the dancers and teachers to focus on the body alignment and technique needed to learn. Please refer to the attached list for the correct uniform. We ask that you check this list carefully. All uniforms, including shoes can be purchased from INSTEP ACTIVEWEAR in Oakville (905) 844-4415/www.instepactivewear.com . Please contact the Academy if you have any questions.

Students should attend class in the appropriate uniform with their hair neatly off the face. **Buns** are required from grade 1 ballet onwards; pony tails are appropriate for other subjects. No jewellery is to be worn to class. Older dancers should choose appropriate undergarments to wear under their bodysuits. **Proper grooming is an important part of each dancer's training and shows respect for the art of dance. PLEASE ENSURE THAT UNIFORM IS CLEAN AND IN GOOD REPAIR (NO RIPPED TIGHTS!)**

HIP HOP DANCERS - Please make special note of the attached uniform list! Last year, we found that throughout the year, dancers gradually started coming in outfits that were not appropriate for class. While this uniform is more casual, it is important to take note of the requirements!

PLEASE NOTE: STUDENTS WHO HAVE BALLET AND MODERN OR TAP CLASSES THAT RUN BACK TO BACK MAY WEAR CONVERTIBLE BALLET TIGHTS TO MODERN/TAP RATHER THAN BLACK TIGHTS. THIS MEANS THEY WILL NOT HAVE TO TAKE TIME TO CHANGE OUTFITS BETWEEN CLASSES

BALLET SWEATERS - Erica Gilby, our resident costume specialist has knit beautiful pink and lilac ballet sweaters that can be purchased for \$30 for our younger dancers. Please ask Miss Knapp if you are interested!

GRACE ACADEMY DANCEWEAR!

Grace Academy jackets, tops and sweatpants will once again be available for purchase this year! Look for more information to follow by email and on social media - **we will be ordering in mid September!**

2ND HAND UNIFORM SALES

Each year a number of families express an interest in selling uniform items. If you have an item to sell, a note may be placed on our bulletin board listing size, colour, cost etc. Please email this to the studio and it will be put up for you. Notices can be put up at any time during the year. If you are interested in

purchasing a 2nd hand item please stop by the studio to look at the board - or ask us to email you a list of items that are already posted.

STUDENT VOLUNTEERS

We are always grateful for the help of our older students in the little ones' classes each year. Thank you to all of you who have volunteered to help in the 2019/2020 season. As class lists become set you will be contacted to discuss your availability.

EXAMINATIONS

In some levels of ballet and modern, students will be encouraged to take examinations with The Imperial Society of Teachers of Dancing in their course of study. This will occur at the discretion of the director, and only when it is felt to be beneficial to the student. These examinations act as a method of measuring progress and maintaining a standard that is recognized internationally. They provide the dancer with the opportunity to work towards a goal and develop self confidence and presentation. Further details will be made available to the parents as the year progresses. If you would like more information ahead of these details, please email us.

ABSENCES

When possible, would parents please inform the Academy if their child is to be absent from class for any reason. This will help with planning the material to be taught. **Please remember that regular attendance is extremely beneficial to all dancers, allowing them to feel comfortable and perform at their highest level.**

YEAR END PERFORMANCE

All students at Grace Academy will be invited to participate in a year-end production at the Oakville Centre for the Performing Arts.

**This year's performance week will run from May 24th- May 30th inclusive!
PLEASE MARK YOUR CALENDARS NOW!**

Performance week is the most exciting time of year for all students! Grace Academy prides itself on presenting a high quality, professional performance each year and feels that this is an extremely important part of our dancers'

training! Dance is a performance art and our year end production gives our students the opportunity to perform on a professional stage in a positive and educational atmosphere. Being a part of our production instills self confidence, responsibility, self discipline, co-operation and team work in all of our students. Dancers will also learn about theatre etiquette and various aspects of what goes on 'behind the scenes' to create a production. And – it is a lot of fun and creates memories that will last a lifetime! 😊

Further details regarding our performance will also be sent home throughout the year.

Our 2019 performance “DANCING WITH THE SUPERSTARS” was a huge success and our show week was filled with happy memories, learning experiences, laughter and fun!

DVD/USB production of this performance will be completed shortly. Families who have placed an order will be notified by email when these arrive and are ready for pick up. Copies may also be handed out to dancers during the first week of classes.

If you missed ordering photographs of the performance, the following website has all photos available for viewing and easy purchase:

LEAH BATTISTA MEMORIAL SCHOLARSHIP

In November of 2017, we were extremely sad to have one of our Grace Alumni pass away suddenly. In her honour, we have established The Leah Battista Memorial Scholarship. This yearly award will be presented to the dancer who

most embodies Leah's passion, energy, joy of dance and hard work, and is to be used towards the costs of their dance training. This year, it gave us great pride to present the Leah Battista Memorial Scholarship to Jemima Cummings at our year end performance. Through this award, and through a random acts of kindness initiative that will take place on her birthday each year (#bekind4leah), we hope to keep Leah's memory and her legacy of kindness and giving alive at Grace Academy.

NUTS

Grace Academy strives to be a nut free environment. Please note that we do have dancers with severe nut allergies. When sending snacks with dancers who have 2 classes in a row please do not send nut products.

RESPONSIBILITY

Grace Academy is proud to have had students who have shown kindness and respect for others at all times and is confident that this will continue in the coming year 😊

We would, however, like to ask parents to remind their children of the need to be respectful of the property at Grace Academy. **Teachers are not responsible for the students at times when they are not in class.**

Please remember that the change room should be kept tidy at all times and ALL shoes should be removed inside the front entranceway. Please be sure to place shoes neatly on the mats and shelves provided!

Kindly remember that excess noise in the change room can be distracting to the dancers.

Please note that space is limited in the changeroom and waiting areas! When possible, we ask that parents and siblings leave the studio while dancers are in class and return for pick up.

We also ask that all parents please remind their dancer that they should stay inside while waiting to be picked up after class. No students should be outside or in the parking lot. **Teachers cannot be responsible for students outside of class times.** Dancers are welcome to watch the next class if you need to be late for any reason. Please drive carefully in the parking lot and remember that it is a busy place with lots of children 😊 The safety of all of our students is very important to us. Thank you for your co-operation.

CELL PHONES – A few years ago we began to notice that our older dancers were becoming increasingly distracted by text messages and other social media while waiting for classes to begin. During this time, dancers are expected to be warming up and practicing for their class, while socializing with others at the studio. For this reason, we began asking that cell phones be left at home and not used while at the studio. **Please remind your dancers of this expectation.** Both Mrs. VanDunk and Miss Knapp will have cell phones on hand should a dancer need to contact a parent in case of emergency or change of plans. Thank you! Dancers who arrive from school with phones should leave them in their bags and not take them out in the changeroom.

OUTDOOR SHOES/BOOTS - CHANGEROOM

We would like to remind you that no outdoor footwear should be worn in the waiting area or change room (this includes parents and siblings). The dancers will be in bare feet and ballet shoes in these rooms. We thank you for your cooperation. Please put shoes neatly in the entranceway so that it is easy for dancers to enter/exit.

In addition, would parents please remind your dancers to be respectful of the property at Grace Academy while they are waiting for their class to begin. The change room can be a very busy place – please remind children that there is no running around permitted anywhere in the studio. All students and family members are asked to wait quietly in the change room so that the dancers in class are not disrupted. All clothing items should be hung up or folded neatly on one of the shelves underneath the benches.

TAP SHOES SHOULD NOT BE WORN IN THE CHANGEROOM, BUT SHOULD BE CARRIED INTO CLASS AND PUT ON IN THE STUDIO.

PROMOTIONAL MATERIALS WAIVER

From time to time, we publish photographs of our dancers (on our website and in our advertising, on our Facebook/Instagram page or on our bulletin board). In doing this, we always ask for permission from families before materials are published. In order to make it easier for us to use any photos that are taken, we are asking that all families return a waiver. Names will never be used without additional permission. Dancers who do not return the waiver will not have their photographs used. **PLEASE NOTE THAT IF WE ALREADY HAVE A COMPLETED WAIVER FOR YOUR DANCER FROM A PREVIOUS YEAR , WE DO NOT REQUIRE YOU TO FILL IN ANOTHER.**

COMMUNICATION

Please do not hesitate to contact the Academy at any time with any questions or concerns that you may have. Good communication between Grace Academy and all of our dancing families is extremely important to us. Newsletters will be sent home on a regular basis to keep everyone up to date – please take the time to read these carefully. Newsletters will also be posted regularly on our website www.graceacademy.ca as well as on the studio notice board.

Please remember to have a look at (and like!) our Facebook and Instagram pages. You will be able to find our page under Grace Academy of Dance and Performing Arts (facebook) and @graceacademyofdance (instagram). Watch here for interesting dancing facts –beautiful pictures – inspirational quotes and more! We will share Grace Academy news and important reminders throughout the year and, it will be your first place to look in case of a “snow day”!

We do ask that you please continue to use our email **graceacademy@sympatico.ca** and phone number, **905 338-0210** to communicate with us for all questions and information that you need us to be aware of. We may not be on Facebook/Instagram page daily! In addition, please remember to read all the newsletters that are sent home, as full details will not always be posted on the Facebook page.

During class time Miss Knapp carries her cell phone with her so that she may contact parents if a child is ill. If you need to reach your dancer (or their teacher) in an emergency you may call this number **(905) 301- 9409**. Please do not use it to contact the school on a regular basis as it will interrupt class time. Messages can be left at the Academy’s regular number **(905) 338 – 0210**.

WE WELCOME YOU TO A WONDERFUL YEAR AHEAD! 😊
